

# PLAY TIME

Brilliant buys for back-garden fun.

\* **The Funkey Hula**, £34.99, is a variation on the hula hoop. It has massaging wheels and a water container to add weight. The manufacturers say it provides a fun, low-impact workout for all ages, while the moving wheels apparently improves the efficiency of your digestive system and helps get you moving in more ways than one! Visit [www.salveo.co.uk](http://www.salveo.co.uk) or call **0208 960 9702** for stockists.
